Listen to the Judge's remarks at: <https://www.papnm.org/2020-Taos-Plein-Air-Historic-Studios-Award-Commentaries>. "en plain air" Gift to my son and family for Xmas 2021.

Remarks from the transcript of the judge Lynn Boyer:

"Full of energy.. Engaging, vibrant, melodic. Swept around in it.

Not just a painting of a tree. I feel the movement of the tree as the wind whips it around.

Unique painting."

Sadly, Lynn passed away last year of a heart attack at a young age. The world is lessened by her absence.
