Material	Oil
Size	8x10
Price	NFS

NFS but willing to commission a similar painting. "En plein air" on the North Shore of Oahu. The waves and the wind created a non-stop symphony. I needed to do the same painting on the next day. Juried into the 2017 PAPNM Juried Member Show, Nov 2017. Painted with water mixable Cobra oils. Collection: Artist. Painted January 2016 during a memorable painting trip to the North Shore.
